- And one ophthalmology service auxilliary

We will consider both Diplomates and Residency-trained candidates.

Dedication to patients, an attitude for teamwork, willingness to teach and a cheerful, friendly character are the winning traits of our ideal candidate. At The Ralph you will have access to advanced diagnostic and surgical equipment for referral ophthalmology. In our specialist-led multidisciplinary environment you will also receive full support from Diplomates in many disciplines. We consider full-time to be four days per week. The role on offer can be part-time or full-time and different working patterns can be discussed. The maximum weekend rota is one-in-four.

Marlow is located on the River Thames between Henley and Windsor. This is a beautiful area with lovely walks, water-based activities and more. Our hospital is just off the A404 with easy access from the M4 and M40 motorways and close to London. Marlow is conveniently located only 25 minutes from Heathrow airport, 45 minutes from Luton Airport and one hour from Gatwick or Stansted airport. This makes it very convenient for weekend getaways or for our European colleagues to 'pop back' to their home countries to visit family.

The Ralph is a workplace that focuses on core values, culture, vision and mission. We emphasise kindness, compassion and empathy for all our communities. As an independent hospital, we have the freedom and flexibility to chart our own course.

If you want to know more, we would love to hear from you. **For more information on the position please contact Heidi Featherstone (Head of Ophthalmology) at heidi.featherstone@theralph.vet in the first instance on an informal basis.**
