

Diplomate or board-eligible Veterinary Ophthalmologist

Perth Animal Eye Hospital has a unique and exciting opportunity for a Board-Certified Ophthalmologist or Registrar to join the dedicated and growing team in the heart of Perth, Australia.

Who are we:

As the only specialised ophthalmology practice in Western Australia established by Dr Martyn King, Perth Animal Eye Hospital is at the forefront of ophthalmology care, providing specialist care with the latest technology including specialised microsurgical instrumentation, ERG, UBM, phacoemulsification unit, laser and cryosurgery.

Perth Animal Eye Hospital prides itself on patient welfare and clinical excellence. There is a strong primary care referral base, and the opportunity to provide treatment and advice for all patients across our great state. With us, the patient comes first.

The hospital is in the center of Perth with easy access to downtown, idyllic and untouched beach coastline with easy access to renowned regions like Rottnest Island and Margaret River. Our dedicated team consists of 2 board certified Ophthalmologists, one registrar, resident and experienced support staff and we are now looking to grow the team.

About you:

- Passionate and dedicated to providing leading specialised ophthalmology care.
- Strong communication skills with the ability to maintain positive relationships with general practice referral clinics and clients alike.
- Qualification in Veterinary Science from an accredited institution and eligible to be registered in Western Australia
- Board certification or eligibility for board certification in Veterinary Ophthalmology
- Interest in a long-term association with Perth Animal Eye Hospital

The Benefits:

- Opportunity to join and be supported by an established and highly experienced team of ophthalmologists and nurses working to ensure the highest level of patient care.
- Access to a large and diverse medical and surgical caseload with the latest technology and equipment to support.
- Support to develop own research initiatives.
- Mentorship and training opportunities for our residency program
- Flexibility in roster and shared caseload

- Support with visa application, Australian Veterinary Registration and provide you with tailored relocation support to suit your situation.
- Benefits of the unique Perth lifestyle – think family friendly, beaches, wine country and Quokkas

Perth Animal Eye Hospital is an equal opportunity employer and recognises that diversity is crucial to our success. Whatever your identity and background, if this role sounds like you, then please [Apply Now](#).
