

## Ophthalmology Intern

Location: Limido Comasco, CO (Italy)

Job Type: *1-year fixed term*

### **Be part of one of the team at Clinica Veterinaria Prealpi**

The Ophthalmology department at Clinica Veterinaria Prealpi is pleased to offer a 1-year ophthalmology internship training programme under the guidance of an experienced board-certified specialist, Dr. Samuela Mazzucchelli (DVM, Dipl ECVO, MRCVS). Ideal candidate is a veterinarian with a strong interest in Ophthalmology.

The successful candidate will receive intensive training in clinical skills essential for successful management of veterinary patients with ophthalmic disease, both medical and surgical, and will undertake directed learning relating to the eye and its diseases. This programme is intended to allow veterinarians to expand their ophthalmic knowledge base and skills in preparation for future training in an ophthalmology residency. The role will also involve weekend working on a 1:3 rota and night shifts on a 1:10 rota to help alongside the primary care out of hours team, with compensatory days off given for weekend days worked

Applicants should be highly motivated and have excellent communication skills; a very good command of spoken and written Italian is essential. Medium level of English is also required. A minimum of two years' postgraduate experience in practice is essential and previous completion of a one-year rotating internship or its equivalent would be preferred. The successful candidate must be able to work with a multi-disciplinary team which is dedicated to the provision of the highest possible level of care for our patients, clients, and referring veterinary surgeons.

#### **Requirements:**

- DMV, DVM, VMD or equivalent degree, eligible to register to the Ordine dei Medici Veterinari.
- Veterinarian in good standing without encumbrance in the jurisdiction of any EU country.
- Applicants must be citizens of an EU member country or a permanent resident of an EU member country.
- A personal letter of intent including reasons for applying to the internship and career goals.
- Recent photograph.
- Current curriculum vitae.

#### **About us**

Clinica Veterinaria Prealpi is home to extensive surgical and diagnostic facilities with a superbly equipped Intensive Care Unit. In-patient care is a priority, with 24-hour care provided by our team of Interns, Nurses, and other Clinical Support staff. In joining Clinica Veterinaria Prealpi, you will have the opportunity to work alongside our multi-disciplinary team, including Internal Medicine, Soft Tissue Surgery, Oncology, Neurology, Ophthalmology, Orthopaedics, Cardiology, Dermatology, Imaging, Anaesthesia, and Emergency and Critical Care. We are dedicated to providing excellent working conditions, care, support and development for our 40+ associates.

As well as a clinically progressive team, we are a close-knit team that enjoy working hard and playing hard. We take part in regular social events and believe a supportive and welcoming atmosphere is key to a great working environment.
